UNITED STATES GOVERNMENT

Memorandum

TO : FILE (100-10,461)

DATE: December 2, 1963

FROM : J. GORDON SHANKLIN

SUBJECT: LEE HARVEY OSWALD, aka
IS - R - CUBA

At 5:45 p.m., this date, I advised Assistant Director W. C. SULLIVAN that four copies of the report in this case had been placed on Flight 20, American Airlines, in the care of Capt. E. W. PURDY. This flight left Dallas at 5:37 p.m., Dallas time, scheduled arrival at Friendship Airport between 8:30 and 8:50 p.m., Washington time.

I pointed out to him that neither Inspector MALLEY nor I had had any opportunity to read the report and that these four copies are not completely numbered. The other six copies are being numbered and the table of contents will be completed. We will attempt to get these on a later flight tonight and he will be advised. As soon as the index is prepared, ten copies will be furnished to him.
